“I’m a big fan of Interior Crafts. Their products are made here in Chicago, and they customize almost anything. Plus, their quality is exceptional. When I’m looking for a special piece, I go right to Emily Ursini, one of the owners. She sees it all.”

-JOHN ROBERT WILTGEN

“Douglas Rosin Decorative Arts & Antiques is one of my favorite spots. Barbara Rosin has amassed a beautiful collection of accessories, art and antiques and continues to acquire pieces constantly. I always look forward to seeing what’s new there.”

-JESSICA LAGRANGE

“The Furniture Shop in New City does amazing refinishing and upholstery. They also have a warehouse workshop on the South Side with a large selection of vintage furniture for sale. Ask for Mark Roe. He has great follow through and is very knowledgeable.”
